

**FY 2020 Combined Research and Extension
OGFM Multi-State and Integrated Activity Supplemental Forms**

DUE DATE: APRIL 1, 2021

Instructions

This requirement applies only to 1862 Land-Grant Universities that are required to expend a specified percentage of Hatch Act and Smith-Lever Act formula grants on multistate extension and integrated research and extension activities.

Institutions must complete all sections of this form.

1. Brief Summaries

In Table 1, list the critical issues in your FY 2020 Annual Report of Accomplishments that contain the integrated and multistate activities that contributed to your target percentages.

2. Target Percentage Table

Institutions must certify that they met their target percentages or certify that they did not meet their target percentage. Institutions may be subject to an audit of this information. If Institutions did not meet their target percentages, they must provide a statement justifying why this target was not met. They may also be asked to provide additional documentation and justification.

- a. Check the box that best describes how you met (or did not meet) your target percentage in FY 2020.
- b. Complete Table 2 to show your state or institution's target percentage and the allocation of funds. Table 2 must be completed regardless of which box is checked.

3. Signatures

This document must be signed by the appropriate authority for each institution that contributes to this certification, e.g. director of Cooperative Extension, director of the Agricultural Experiment Station. Electronic signatures are permitted.
