

2019 Ohio State University Extension Internship Program

A paid internship is available in each of the highlighted counties. Interns will work June 3 through August 9, 2019.

While each county has a unique focus, work during the internship might include:

- Working closely with a local OSU Extension educator as he or she teaches classes or works with volunteers
- Planning, helping or teaching community classes, day camps, field days or fairs
- Attending meetings with community leaders and volunteers
- Developing news articles, exhibits, brochures, marketing materials, and resources for educational curriculum
- Using social media and technology to share research-based information
- Participating in field research, helping with literature reviews, and testing new methods and curriculum
- Working with youth through 4-H activities, county fair, camps and project judging

Summer Interns will work with issues related to:

- Health and Wellness
- Job Skills and Careers
- Thriving Across the Life Span
- Sustainable Food Systems
- Engaged Ohioans, Vibrant Communities
- Environmental Quality
