

Ohio State University Extension Internship Program Intern Work Plan – June 3 to August 9, 2019

1. **Location/County:** Adams County
2. **Supervisor of Intern:** Kathy Bruynis
3. **Supervisor email address:** Bruynis.5@osu.edu
4. **Identify the program and impact area(s) that will be the major focus of the intern.**

Impact Area(s) – check a maximum of two

- Health and Wellness
- Workforce Development
- Thriving Across the Life Span
- Sustainable Food Systems
- Engaged Ohioans, Vibrant Communities
- Environmental Quality

Program Area(s) – check all that apply

- Agriculture and Natural Resources
- Community Development
- Family and Consumer Sciences
- 4-H Youth Development

5. **Identify the impact area-related activities/projects/products that it is anticipated the intern will complete during the internship.**

The intern will be the primary organizer for the county 4-H pre-fair project judging which includes scheduling judges, assigning times for project areas and coordinating members and volunteers. They will assist with junior fair activities and events throughout the county and state fair as well. These will include livestock shows, style review, Cloverbud activities, livestock judging and skillathons.

The intern will also have the opportunity to assist with the Summer Food Program through Summer Rec. This will give them exposure to the SNAP-Ed program as they teach underserved youth how to make healthy food choices.

The intern will work with the ANR Educator to pull forage samples at local farms and send samples to the lab for testing. The intern will then compile and summarize the data collected.

- 6. List a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.**

Activities

- a) 4-H Project Judging
- b) Adams County Fair
- c) Summer Food Program for Summer Rec
- d) Ohio State Fair
- e) Canter's Cave 4-H Camp
- f) Forage field test

- 7. Briefly describe the length of experience of the educator who will mentor the intern and/or the experience of the supervising educator/county team members. Our goal is to ensure the intern has a meaningful educational experience in which the intern learns the value and contribution of the Extension system and the impacts we produce for our clientele.**

The ANR Educator in Adams County has more than 20 years of experience in Extension. The 4-H Youth Development Educator has been with Extension for just over a year but has an extensive background in grant and youth programming. The SNAP-Ed staff has more than 20 years of combined experience. We feel the intern will have great insight into Extension from many different angles including tenured and newer Educators and Program Assistants.
