

Ohio State University Extension Internship Program Intern Work Plan – June 3 to August 9, 2019

1. **Location/County:** Delaware County
2. **Supervisor of Intern:** Rob Leeds
3. **Supervisor email address:** leeds.2@osu.edu
4. **Identify the program and impact area(s) that will be the major focus of the intern.**

Impact Area(s) – check a maximum of two

- Health and Wellness
 Workforce Development
 Thriving Across the Life Span
 Sustainable Food Systems
 Engaged Ohioans, Vibrant Communities
 Environmental Quality

Program Area(s) – check all that apply

- Agriculture and Natural Resources
 Community Development
 Family and Consumer Sciences
 4-H Youth Development

5. **Identify the impact area-related activities/projects/products that it is anticipated the intern will complete during the internship.**

The intern will focus on two areas:

Expanding the OSU Extension's use of videos to highlight on farm research to impact water quality issues and teaching Adult/youth educational programs.

On farm research to impact water quality

The intern will work as a team with the Ag/NR Educator and CD Educator in script development, videography, production and editing of the video curriculum. The

Products will include:

- Forage Fertilization
- Phosphorus Rate and timing studies

THE OHIO STATE UNIVERSITY

COLLEGE OF FOOD, AGRICULTURAL,
AND ENVIRONMENTAL SCIENCES
