1. **Location/County:** Hocking County
2. **Supervisor of Intern:** Joyce Shriner
3. **Supervisor email address:** shriner.3@osu.edu
4. **Identify the program and impact area(s) that will be the major focus of the intern.**

Impact Area(s) – check a maximum of two

- Health and Wellness
 Workforce Development
 Thriving Across the Life Span
 Sustainable Food Systems
 Engaged Ohioans, Vibrant Communities
 Environmental Quality

Program Area(s) – check all that apply

- Agriculture and Natural Resources
 Community Development
 Family and Consumer Sciences
 4-H Youth Development

5. **Identify the impact area-related activities/projects/products that it is anticipated the intern will complete during the internship.**

The intern will contribute to Hocking County's Plan of Work topic, which is workforce development. The intern will develop educational resources that can be shared with 4-H clubs and/or posted on-line related to workforce development. He or she will facilitate workforce development clinics at the 4-H club and/or county level and will work to develop a collaborative relationship/partnership with Job and Family Services summer Workforce Investment Act program.

6. **List a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.**

1. Develop educational resources on workforce development

CFAES provides research and related educational programs to clientele on a nondiscriminatory basis. For more information, visit cfaesdiversity.osu.edu. For an accessible format of this publication, visit cfaes.osu.edu/accessibility.

2. Teach on workforce development during 4-H club meetings
3. Teach on workforce development during a county clinic
4. Teach on workforce development as part of Camp Counselor training
5. Develop a partnership with Hocking Co. Job and Family Service's Workforce Investment Act (WIA) program
6. Teach workforce development skills to WIA program participants
7. Develop traditional and social media articles/posts on workforce development topics
8. Participate and support the new Commercial Lamb Fair Class participants. One primary goal of the class is to teach exhibitors how to make a profit on a livestock project.

- 7. Briefly describe the length of experience of the educator who will mentor the intern and/or the experience of the supervising educator/county team members. Our goal is to ensure the intern has a meaningful educational experience in which the intern learns the value and contribution of the Extension system and the impacts we produce for our clientele.**

The supervising educator will have 30 years of experience serving Ohio State University Extension during summer 2019. She has served as an FCS and 4-H Educator, County Extension Director and is currently an Area Leader. In addition, she has personal experience in workforce development as her Bachelor's Degree is in Fashion Merchandising, which includes a major emphasis in business. Further, she has worked in business in the private sector and is a co-owner of a family business. All of the Hocking County staff are mature adults with a minimum of three years of Extension experience.
