Ohio State University Extension Internship Program
Intern Work Plan – June 3 to August 9, 2019

1. Location/County: Hocking County

2. Supervisor of Intern: Joyce Shriner

3. Supervisor email address: shriner.3@osu.edu

4. Identify the program and impact area(s) that will be the major focus of the intern.
   Impact Area(s) – check a maximum of two
   _____ Health and Wellness
   _____ Workforce Development
   _____ Thriving Across the Life Span
   _____ Sustainable Food Systems
   _____ Engaged Ohioans, Vibrant Communities
   _____ Environmental Quality

   Program Area(s) – check all that apply
   ____ Agriculture and Natural Resources
   ____ Community Development
   ____ Family and Consumer Sciences
   ____ 4-H Youth Development

5. Identify the impact area-related activities/projects/products that it is anticipated the intern will complete during the internship.
   The intern will contribute to Hocking County’s Plan of Work topic, which is workforce development. The intern will develop educational resources that can be shared with 4-H clubs and/or posted on-line related to workforce development. He or she will facilitate workforce development clinics at the 4-H club and/or county level and will work to develop a collaborative relationship/partnership with Job and Family Services summer Workforce Investment Act program.

6. List a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.
   1. Develop educational resources on workforce development
2. Teach on workforce development during 4-H club meetings
3. Teach on workforce development during a county clinic
4. Teach on workforce development as part of Camp Counselor training
5. Develop a partnership with Hocking Co. Job and Family Service’s Workforce Investment Act (WIA) program
6. Teach workforce development skills to WIA program participants
7. Develop traditional and social media articles/posts on workforce development topics
8. Participate and support the new Commercial Lamb Fair Class participants. One primary goal of the class is to teach exhibitors how to make a profit on a livestock project.

7. Briefly describe the length of experience of the educator who will mentor the intern and/or the experience of the supervising educator/county team members. Our goal is to ensure the intern has a meaningful educational experience in which the intern learns the value and contribution of the Extension system and the impacts we produce for our clientele.

The supervising educator will have 30 years of experience serving Ohio State University Extension during summer 2019. She has served as an FCS and 4-H Educator, County Extension Director and is currently an Area Leader. In addition, she has personal experience in workforce development as her Bachelor’s Degree is in Fashion Merchandising, which includes a major emphasis in business. Further, she has worked in business in the private sector and is a co-owner of a family business. All of the Hocking County staff are mature adults with a minimum of three years of Extension experience.
