The intern will also have the opportunity to participate, and lead a session if interested in DAWN a first year state wide outdoor leadership camp and to participate at the State Horse Skill-a-thon. They will have the opportunity to spread their creative wings and help create and design many 4-H event flyers and program brochures as the summer happenings gear up.

Speaking of creative wings, this intern will have the opportunity to work with the ANR educator to design and create updated census fact displays to highlight at different events throughout the summer and the 2019 Holmes County Fair. In addition to this, they will have the opportunity to create and design displays of other relevant agricultural happenings in Holmes County.

**6. List a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.**

- Junior Fair Board
- Kids in the Kitchen cooking classes
- Senior craft and food pantry programming
- 4-H project evaluations
- Vegetable & livestock auction visits
- Food preservation programs
- State 4-H horse skill-a-thon contest
- All female outdoor wilderness camp (potential)
- Miscellaneous 4-H events.

**7. Briefly describe the length of experience of the educator who will mentor the intern and/or the experience of the supervising educator/county team members. Our goal is to ensure the intern has a meaningful educational experience in which the intern learns the value and contribution of the Extension system and the impacts we produce for our clientele.**

Kate Shumaker and Gary Graham hold 15+ years of experience in Extension. Janessa (mentor) and Ashley Gerber (support staff) have <5 years. This intern will have the opportunity to work with in a positive and fun environment with an energetic team of dedicated extension professionals. The office has a second 4-H educator that the intern would also work with, so they would get a full experience of all aspects of the 4-H Program, as well as working on a couple of FCS and Ag projects.
