7. Briefly describe the length of experience of the educator who will mentor the intern and/or the experience of the supervising educator/county team members. Our goal is to ensure the intern has a meaningful educational experience in which the intern learns the value and contribution of the Extension system and the impacts we produce for our clientele.

The FCS Educator has 30 years' experience with Extension. She has supervised a number of Interns over the years, as well as working with Program Assistants, and serving as a mentor to 10 new Educators over the last several years. She has co-lead the Live Healthy Live Well Signature Program team – which has over 30 professionals for approximately 8 years.

The Ag Educator has over 20 years' experience with Extension. He has supervised other interns, served as County Director, and now serves as Area Leader.
