Keith L. Smith Lecture on Innovation in Extension • Friday • 11:45am-1:15pm**Let's Make Work Better:
Evidence-Based Practices for Improving Your Work**

Theresa Glomb, professor, The Toro Company—David M. Lilly Chair in Human Resources,
University of Minnesota, Carlson School of Management

Theresa's research suggests the important role of work events, mood, and micro-interventions in predicting on-the-job behavior and employee well-being. She has conducted field research in dozens of companies, including several Fortune 500 firms, with thousands of workers as participants. Theresa's research uses a variety of methodologies including experience sampling, surveys, interviews, and physiological assessment. Theresa enjoys sharing her research and simple, evidence-based micro-interventions to improve work lives.
